

MEET VELOCITY

Preconfigured Meeting Space Solutions for How You Work Today

Think a new meeting room solution requires a complex planning process or a capital expenditure? Think again. With ready access to your network and an existing power outlet, Velocity meeting room solutions from AVI Systems can be ordered in minutes and installed in hours.

Velocity is designed for when you:

- Need a solution in place fast
- Can't or don't want to do any construction
- Want to convert an existing meeting space to a full-featured Microsoft Teams or Zoom room
- Want consistent, reliable, manageable collaboration spaces

Here's how to get started:

1

Pick your preferred platform

2

Choose between Velocity Classic or Signature
(Signature is Teams only)

3

Select your room size

4

Add on any options

5

Decide to purchase or subscribe

Small

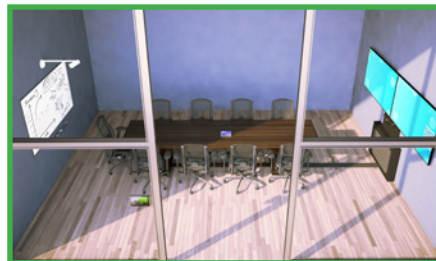

Medium

Classic

STEP 1

Pick your preferred platform

STEP 2

Choose between Velocity Classic and Velocity Signature

VELOCITY CLASSIC

Traditional meeting room solutions, available in single or dual display configurations

Single or dual HD display systems, optimized for Microsoft Teams or Zoom. Solutions are available in Microsoft Windows or Android configurations. Floor-to-wall technology enclosure minimizes construction.

Best for applications where the in-room participant experience takes priority.

VELOCITY SIGNATURE

Microsoft Teams solutions designed to improve remote participant experiences

Wide aspect ratio display system, optimized for Microsoft's Front Row layout. Automatic camera framing improves remote experiences. Free standing technology enclosure supports open area and window-wall installations.

Best for applications where the remote participant experience takes priority.

STEP 3

Select your room size

VELOCITY CLASSIC

- Small up to 5 people
- Medium up to 10 people
- Large up to 15 people

VELOCITY SIGNATURE

- Small up to 3 people
- Medium up to 6 people
- Large up to 9 people
