on VPL-FHZ85 | VPL-FHZ80

Learn more >

Offer is good 11/1/23 through 3/31/2024

Now through March 31, 2024, end-users can earn an instant rebate up to \$200.00 when they purchase an industry award winning VPL-FHZ85 or VPL-FHZ80 series 3LCD laser projector

Powerful, compact, light, and superbly styled, these 3LCD laser projectors are bursting with the latest Sony innovations to deliver consistently rich, bright, colorful images. With versatile installation options and reduced maintenance, they are ideal for projection in mid-size corporate, education and public environments. Sony's exclusive Bright View technology delivers high-impact images that do not sacrifice color and Reality Creation ensures images, diagrams, and text look clear and sharp, even in bright conditions. Intelligent Setting with Ambiance match projected images with your environment for an enhanced viewing experience: there is even an ambient light sensor to measure room brightness.
